

INT. DOWNSTAIRS HALLWAY IN ASTORIA - DAY

CHLOE stands in the hallway, still a bit shaken from her trip to the past, but excitedly anticipating seeing her grandparents' reaction to her speaking again.

CHLOE
I'm home!

MARY pokes her head into the hallway with a puzzled expression.

MARY
(Confused)
Chloe?!

CHLOE
Yes, Grandma?

MARY runs to CHLOE and gives her a huge hug and kisses her all over her face as tears begin to flow. HENRY hears the commotion and joins them in the hallway to give CHLOE a huge hug.

HENRY
Pumpkin, you have no idea how good it is to hear your voice!

MARY
Sweetie, are you hungry?

CHLOE
Yes, I'm starving!

MARY gives CHLOE another kiss, then holds her hand and walks to the kitchen with her. HENRY follows them.

INT. CHLOE'S BEDROOM IN ASTORIA - NIGHT

CHLOE is sitting in her bed. She dials JACOB'S number on the phone sitting on the nightstand. The phone <RINGS> three times.

JACOB
Hello?

CHLOE
Hi, it's CHLOE!

JACOB

Hey! I still can't get used to hearing your voice, but it's a good thing. What's up?

CHLOE

(Whispering)

I just want you to know I asked my grandparents to take me to Ecola State Park tomorrow. I need to go back once more. I want to find out more about my mom and why she's so sad. I also want to find out about my dad and why I didn't know my grandparents until I came to Astoria. I just want you to know.

JACOB

(Whispering)

I don't think it's a good idea to keep going back in time. Too many things can go wrong... I really like you a lot and I'm just scared that something bad is gonna happen.

CHLOE

I care about you too, but I have to do this. I need answers.

JACOB pauses before responding.

JACOB

Please be careful!

CHLOE

I will. Good-bye!

JACOB

Bye.
